

Small Group Leader Resources

Locations for Groups

- Herbe's ZTown Café, 105 North Main St., Zelienople
- Wunderbar, 253A Mercer St., Harmony, www.wunderbarcoffeehouse.com

Also, many local restaurants would be a good choice assuming that you are planning to purchase a meal.

For other locations outside the immediate Cranberry area, you can use these ideas to find similar businesses, coffee shops, and facilities closer to your home.

Next Steps

As a small group leader, we have asked you throughout the course of your group to locate where your participants are and encourage them to "take their next step." In order to help you determine what their next step is, we've created the list below. Please remember that each of your group members is an individual and will most likely not proceed from one step to the next in order. This is merely provided as a guide as you encourage each one to grow in his or her walk with God.
