In the 2012-2013 school year, nearly **900** K - 12 students from low income families in the Seneca Valley School system will be in need of **essential school supplies** to be properly equipped in the coming school year. The economy may be tough, but we believe it's during times like these that people with **vision for tomorrow invest wisely** to ensure brighter futures.

We're reaching out to you today to partner with Seneca Valley and Victory Family Church through a financial donation so that every low income student will receive a **new backpack filled with supplies**. Every student deserves an opportunity to better his or her future.
